Dear Mr. Hagen:

Re: Disposal of Lime Waste from  
C.F. Petroleum

You are hereby granted a temporary approval to accept the above-referenced waste for disposal at Gary Land Development, SW 133;

The staff is currently working with this company to secure more information on the analysis of this material. Until this can be obtained and reviewed by staff to determine the ultimate disposal method, you may accept this waste for mixing with the general refuse. It is understood that this material is generated at a rate of approximately 80,000 gallons/month.

If you have any questions, contact Mr. Bruce Palin of the Solid Waste Management Section at AC 317/633-6400.

Very truly yours,

Roland P. Dove, Director  
Division of Sanitary Engineering
